## **SECOND HEARING OF CITIZENS**

Warren Smith 203 9<sup>th</sup> Street in Verplanck has questions about the LWRP, Local Waterfront Revitalization Program, Supervisor Becker answered that Chris Kehoe, Director of Planning, would have more answers about that. But the Town Board did rezone it into mixed use and the limiting factor is sewage and being able to redevelop the area without a proper sewage system. The Town is currently developing a design of a sewer system.

Councilperson Creighton stated he did speak with Chris Kehoe recently and the Town submitted a draft with New York State on December 9<sup>th</sup>, 2024 and have received comments back the staff will respond as appropriate. The Town did take the recommendations of the LWRP and the Master Plan to work on the rezoning of the area around the waterfront.

Mr. Smith also questioned about the Quarry Conservatory and if there any new developments. Supervisor Becker answered Councilperson Mayes and himself have met with some individuals and one did not work out. The Town is meeting with the Westchester Parks Foundation and philanthropists to see if they are interested. The Town would like to do this without spending any town money.

Mr. Smith also questioned the moratorium on Solar and Battery Energy Storage. Deputy Town Attorney answered the moratorium is in effect until July. Councilperson Creighton answered there was an amendment to remove the incentives so people are not incentivized to be building in the middle of forested areas but rather to have it on top of buildings, brown fields and areas like that. Therefore, it makes forested areas the last and least favorable option in the Town. He battery energy.

Mr. Smith questioned the Transit Oriented District and any updates. Supervisor Becker answered the TOD is moving forward and the design is about seventy-five percent complete. The consultants are pushing to building on current MTA property since the parking lots are not being used anymore. There should be a presentation in two weeks at the work session in regards to this. Mr. Smith had some suggestions and was encouraged to join the work session.

## **ADJOURNMENT**

Councilperson Mayes made a motion to adjourn the meeting, seconded by Councilperson Jacoby with all voting **AYE**.

Supervisor Becker closed the meeting in honor and memory of Dani Glazer.

To: Town Clerk Laroue Shatzkin

Re: Senior Citizen Monthly Attendance

Enclosed are the statistics related to the programs conducted at the Muriel Morabito Community Center, during the month of October, for the senior citizens of the Town of Cortlandt under my direction.

In addition to a detailed report of attendance, I have explained the program's fluctuations.

Sincerely,

Dawn Mahoney  
Director of Senior Services

### **Senior Citizen Clubs:**

We had only 3 large club meetings this month with an average of 111 in attendance due to a snow day. Attendance remains at one of its highest points in recent years.

Verplanck Seniors continue to meet at the Schoolhouse each week.

### **Nutrition Program:**

The Home Delivered Meal Program is sporadic in nature, due in part to the fragile health of those involved. January yielded a few new additions to the program.

The Congregate Meal Program varies in accordance with the menu as put forth by Westchester County Senior Programs and Services. We continued and increased the number of congregate meals this month, in addition to the GRAB & GO meal service.

### **Other Services:**

I've attached our monthly January calendar so you can reference all the programs at the Center. In addition, to our regularly scheduled programs, we offered a few new offerings like educational speakers on the History of Fleischmann's and the Importance of Exercise, Pilates Classes, and trip openings/registrations via the new Community Pass. We have our regular scheduled programs that continue year around and are very successful.

Good afternoon [REDACTED]: thank you so much for reaching out to me about the traffic and safety issues near the Food Town, involving Baltic Place and Scenic Drive.

Via this email, I will ask our Town Clerk to add this to the February agenda of the town board, to "receive and file" this email and to refer it to the Director of DES/Highway.

They will perform an investigation and make a recommendation to the town board as to what, if anything, can be done to improve safety.

Thank you for making me aware of the situation. We will follow up with you when we have completed the study and have the appropriate information.  
Stay well.

Dear Dr. Becker,

Greetings to you. I hope your New Years is off to a great start.

I would like to bring to your attention something I feel can improve the safety of our community.

I am a 20-year Cortlandt resident. I recently moved to Baltic Place. I am noticing the following.

If you exit the Food Town Parking lot on Baltic Place, there is no stop sign. You are exiting onto two way traffic.

Also, if you are on Baltic Place heading toward Scenic Drive, there is a street sign on Dove Court. When you proceed a little further to Baltic Place, there is no street sign. There is a sign saying 'Baltic Place but it is not visible until you actually make the left hand turn. This causes confusion with deliveries or visitors.

I sincerely would appreciate you looking into this.

Thank you.
