Chris,

Nice speaking with you this morning. To confirm our conversation, we are electing to take additional time to work on our revised plan set. We will not attend the November 3rd Planning Board Meeting but plan to have an update for the December Meeting.

Please let me know if you have any questions.

Thanks,
Kieran

I need two (2) full size hard copies and eight (8) 11 x 17 hard copies delivered to me at Town Hall by 10:00 am tomorrow at the latest. I also need everything e-mailed to me.

What is the revision date for the drawings?
